Dear Brothers & Sisters:

Our Aerie is coming into the 21st century and have implemented texting as a way to communicate with our membership. Over the next few days we will be sending out the messages to establish who wants to be included or excluded in our messages. We will be using the messages to inform you about upcoming events, remind you about important discussions and to keep you in the loop with what is happening at #2643.

If you do not receive a message in the next few weeks, it may be because we don't have a cell number for you. If you would like to update your contact information to include a cell number please let the Bar Manager or Aerie and Auxiliary secretaries know.

Brothers and Sisters,

September has come to an end, and fall is upon us. The past month has shown our ability and desire to continue to fill our events calendar. Our monthly calendar meetings are becoming quite effective and I encourage all of you to attend. They will continue to be held the second Tuesday of each month at 7pm.

District five held their first District meeting on September 15, 2018 in Burien. West Seattle had great representation, thank you to all who attended. We were the only club in the district to have an increase in membership, which is great! With the increase in membership, our club is seeing busier and busier days in the social room. In the busy environment things can get loud, music, TVs, and voices. While guilty of slipping up myself from time to time, we as a club need to do a better job at watching our language while inside our walls. The "F" word is thrown around entirely too much and too loud, as is our apparent desire to trash talk one another. Our motto is "If I cannot speak well of an Eagle, I will not speak ill of them". Take our motto to heart, and take it seriously. I for one am tired of listening to our members speak ill of one another, and I am done ignoring the negative comments. If I hear the "F" word, I'll let you know that it is not okay. If I hear negative comments about our fellow members, I'll let you know that it is not okay.

We have a great and growing club, we need to set the example, raise the bar, and lead by example. Introduce yourselves to members you don't recognize or now. Say "hi", be friendly, our club should be a safe and welcoming space for all members and guests.

As always I leave you with this: I truly love this organization. The Fraternal Order of Eagles spends countless hours supporting, and raising money for the neighborhoods and charities which we love. It is my opinion that the West Seattle Eagles Aerie 2643 can set the example for what all clubs should strive to be. Let's be friendly and welcoming to our guests, to our visitors, and to our new membership. If you see someone who might be a new face, chances are they are a new Brother or Sister, say "hi" and let them know why you love your club.

Brothers and Sisters:

Fall is upon us! I love these crisp sunny days watching the leaves change!

So many events and meals going on in our club! It is so refreshing to see so many people enjoying our meals and fraternalism in the social room. I'd like to thank everyone who has helped with a meal and those who have enjoyed the meals and events. Remember, to keep our calendar filled we have monthly calendar meetings on the second Tuesday of each month at 7pm . I hope to see lots of you there with your ideas.

Our first book club meeting went well (I was not there, at home sick), so thank you to all who helped get this first meeting rolling. For those who want to power read, the book that was chosen is My Abandonment by Peter Rock. We meet on the second Thursday of each month. I am hoping more join us this month.

I'd like to personally thank everyone who has been helping me with my meals. John Michael, Marsha, Yvonne, Diane and most importantly, John Nowak. He is always there ready with a helping hand and a smile. He is the best! If I forgot anyone, I'm sorry, but know your help has been appreciated.

Last month we initiated 3 new sisters. Please join me in welcoming Chelsea Hoffman, Angie Marcelynas & Lisa Marshall. That brings our total to 14 for the year!

Football is on in the social room when available, come in and watch a game. Food is usually available for purchase.

Until next month

Yours in Sisterhood
