JUNE 2019

## Welcome

### June! Summer is here!

Hello West Seattle Eagles Aerie #2643 members and friends. It is the beginning summer and the beginning of the new year for the Eagles.

Things do tend to slow down a bit as people go on vacation, backyard BBQs, etc. There will still be plenty of things going on at the West Seattle Eagles throughout the summer so keep checking the calendar and Facebook. We do have Air Conditioning if it gets too hot. And don't forget to hydrate!

Taco Wednesday is having a slight price change. We are removing the 3 for \$5 option for now. Tacos will still be \$2 each for either soft- or hard-shell tacos.

The pot for Queen of Hearts continues to grow. Trivia Night is now a monthly event on the 3<sup>rd</sup> Wednesday starting at 6:30 until around 8:30. The burger and a movie night has been fun. This month the movie will be Guardians of the Galaxy. It's PG-13 so this might be a good one to bring the kids. The movie will be over by 10 when they need to be out of the club.

Please check the expiration date on your card and make sure that it has a date of 2020 or later. If not get down to the club and pay your dues ASAP. **All members who are 1-month in arrears in their dues must be dropped by the Secretary from the rolls on the 1st day of July.**

If you have any suggestions or feedback you can email me at [newsletter@westseattleeagles.org](mailto:newsletter@westseattleeagles.org). Please follow our Facebook page. I post all the upcoming events at the club and it will have the most current information.

# A Message from our Worthy President

JUNE 2019

Aerie Brothers and Auxiliary Sisters,

I'm looking forward to what we can accomplish this year. John did a great job of getting the word out to the community about the club and bringing in new members. The Aerie and Auxiliary are working closely together again. The trustees have been doing a great job of getting the club in shape and bringing on our new kitchen managers Gabby and Tony.

My primary goals this year will be continued growth of membership. Increasing member participation and involvement in the club. Closer interaction and support of our community. Lastly, but not in any way the least, raising as much money for charities as possible. We have a phenomenal location in the heart of the Junction to be a real force for good in West Seattle. When you talk to others about the Eagles let them know that our motto is People Helping People and about the good works that we do.

My primary charity for the year will be the Alzheimer's & Neurological Fund. It is hard to pick one charity, but this is one that has directly affected too many friends and family. If you know of any local groups that are doing good work with Alzheimer's & Neurological Disorders let me know about them and let us see what we can do to help them out.

Personally, I'd love to have major fundraisers every month for different charities and organizations that are helping locally, nationally and internationally. Whether it is helping people, animals or the planet there is lots of work to be done. If you have any charities or organizations that have special meaning to you feel free to contact me or come to a meeting and let us see what we can do to help.

I'd like to thank everyone that has helped over the last year, and through the coming year, with dinners, events, maintenance of the club, officers and trustees of both the Aerie and Auxiliary. Without people stepping up and volunteering we wouldn't be where we are. We could use a few more people to fill seats in the Aerie and we are always in need of people to assist with meals, events etc. around the club. If you have any free time to contribute, please contact me.

*Every day, our members are hard at work, improving their communities and making life better for all. Be a part of something great. Be an Eagle.*

# A Message from our Madam President

JUNE 2019

Sisters and Brothers,

I am honored and proud to be allowed to be the 2019-2020 Madam President of our West Seattle Fraternal Order of Eagles Auxiliary. We have a great group of Officers, including new Sisters. Thank you ladies for stepping into these leadership roles of our Auxiliary. It is so appreciated by all! I also want to extend a very heartfelt thank you to all the installing officers and all those who helped with the Installation of Officers for this coming year. I also want to thank the sisters who unexpectedly donated and provided the food before and after the ceremony.

My hope is that we will carry on the momentum of growth, and coming together as an Auxiliary and Aerie, in the coming year. If we all put forth the effort in all we do, we can accomplish this.

Our organization motto is "People Helping People". There are charities that the Fraternal Order of Eagles regularly supports and raises funds for. However, if you have a charity or organization that is special to you for which you would like to have a fundraiser, "DO IT". Whatever it is, just get it on the calendar so it can be approved by the Aerie Trustees. If there are any questions on how to do this, just come to a meeting and ask.

As usual, summer is full of activities and volunteer are always needed. If you would like to be involved, please let us know. Alternatively, we may come to you to see if you will want to help ☺. For some events, there will be sign-up sheets posted in the Social Room.

- Fathers' Day is on Sunday, June 16, and Brunch will be served from 10am-2pm. The Auxiliary hosts this event, and plans are still being finalized
- The Annual West Seattle Street Fair is the 2<sup>nd</sup> weekend in July.

These are just a couple of the events coming up. There are also a lot of upcoming events and dinners. Check out the calendar in this newsletter for more information. The rest of the year will also be busy with many more event and activities. STAY TUNED!

If you have not yet renewed your membership to West Seattle Eagles, you'll want to make sure you do before June 30<sup>th</sup>, so your membership isn't terminated.

As a final note to our sisters, our Club needs all of us to stayed connected and engaged. The Auxiliary meetings are the 1<sup>st</sup> and 3<sup>rd</sup> Thursday of every month, unless members are notified in advance. It would great to see you come and contribute.

Again, thank you for allowing me to serve our Auxiliary.

Yours in Sisterhood,

*Diane Bals*  
Madam President

## People Helping People

Do you have some free time and would like to have a more active involvement in our club and community? Come and talk to an officer and see what you can do to be a part of our raising money for charity and benefiting our community.

There are lots of opportunities to participate without spending a ton of time. Anything from doing dishes for a dinner or checking IDs during street fair or another event helps the club greatly.

If you want to take an even more active roll in the club talk to us about what is involved in becoming an officer. A couple hours a month is a worthy investment in helping to direct our path moving forward.

## Eagle Valley Campground

Eagle Valley is the crown jewel of the Washington State Eagles.

Over 40 years ago a small group of people had a vision to purchase acreage to be owned, supported and used by the entire membership of the state Auxiliary and Aerie, equally. That vision turned into 40+ acres of land in Cle Elum, just 90 minutes east of Seattle.

Every year hundreds of brothers and sisters from all over the state, camp together, play together, build friendships and exchange ideas. We have an array of fundraising activities all summer long, starting Memorial Day Weekend. So come for the day, spend the night, stay for a weekend, host your FOE picnic, hold your family reunion, have your wedding, the possibilities are endless. Come Enjoy Today!!!

## How it Began

On February 6, 1898, six of Seattle's most prominent theater owners gathered to discuss how to handle an ongoing musicians' strike. John Cort, brothers John W. and Thomas J. Considine, H.L. Leavitt, Mose Goldsmith and Arthur G. Williams headed down to the Moran Brothers' shipyard on South Charles Street to make a plan. According to most popular accounts, after deciding to work together to settle the strike by using piano players to replace the musicians, the men began to discuss life. At that moment, the Order of Good Things was born.

As their numbers grew, the Order chose the Bald Eagles as their official emblem and changed the name of the organization to "The Fraternal Order of Eagles, with a goal to "make human life more desirable by lessening its ills and promoting peace, prosperity, gladness and hope."

Touring theater troupes are credited with much of the Eagles' early growth. Most members were actors, stagehands and playwrights who carried the Eagles story from town to town as they traversed the United States and Canada. The group's early motto, "Skin'em," became the secret password to identify members while the official motto was changed to "Liberty, Truth, Justice and Equality."

## Spring Cleaning!

Spring is in the air and that means that weeding needs to be done.

In the next couple weeks, we will put together a day to clean up the property. A bit of light weeding, pickup any garbage and maybe some pressure washing of the parking lot.

I'll post information on Facebook and in the club when we decide on a day.
