

The West Seattle Talon Tribune

NOVEMBER 2020

Welcome

November

Hello West Seattle Eagles Aerie #2643 members and friends.

It has been nice being able to sit in the social room again. It is at a much lower capacity than normal but if you stop by there is a good chance you can get a table downstairs. If not, there is plenty of room upstairs and we will have all the games on in both rooms.

We still need to be vigilant and do our best to keep our members and guests safe so please follow safe practices both in the club and when out and about. And even though the signage isn't back on the walls yet we still have the rule against cursing in the social room. Please attempt to refrain from using foul language.

We do have food available in the kitchen every day and are starting to schedule some dinners including two this month. We will discuss adding more at the Joint Officer's Meeting. If you'd like to volunteer in the kitchen please talk with Marcus or Gisela.

As a last sad note, we will not be having our annual Thanksgiving Dinner this year. The amount of people needed for prep, cooking, cleaning etc. we came to the tough decision that it cannot be done in a safe manner even if the meals were only to-go.

If you have any suggestions or feedback you can email me at newsletter@westseattleeagles.org. Please follow our Facebook page. I post all the upcoming events at the club and it will have the most current information.

A Message from our Worthy President

NOVEMBER 2020

Aerie Brothers and Auxiliary Sisters,

Greetings all. I'm happy that I've had a bit of free time to reconnect with some of you at the club. It has been nice to see that people are doing well and to catch up. Thankfully we have a large enough space where we can arrange tables so we can stay safe and still get a chance to spend time with our brothers and sisters.

We are still in the process of getting the club back in full working order. We will have the jukebox back up soon. We also have a new point of sale system on order so we'll be able to take credit cards again. The old systems credit card scanners are out of date and no longer work. We are also looking into being able to use credit cards for dues with the new system. It will be nice to have something current.

We are also in the preliminary investigation phase of seeing what the options, costs, etc. would be for building a deck in the space we have fenced off for our beer garden. I think it would be a huge benefit for our members to have a nice space outdoors. If you have any skills that would help us with quoting out different options please let me know.

I briefly mentioned before that we will not be able to do our annual Thanksgiving Dinner this year. There are just too many people involved in the prep, cooking, serving, cleaning, etc for us to be able to do it in a safe manner for the volunteers and the guests. Even though our kitchen is fantastic it would need to be much larger to host this event. Some other events for this time of year like the Turkey Shoot and our booth at the Harvest Festival are also cancelled. We'll see what we can come up with that is "hands free".

We are looking into what we can do for holiday fundraisers, the giving tree and clothing drives to help out our community. It will be good to get back to what the Eagles are really about; people helping people. Feel free to contact me if you have any suggestions on how we can help those in need.

If you have any ideas for events or know of something, we as a charitable organization should be a part of, please let me know.

Thank you, have a great month and stay safe.

A Message from our Madam President

NOVEMBER 2020

Hello Sisters and Brothers,

It is hard to believe the end of the year is fast approaching. What a crazy year it has been. As we get back to some form of normalcy, hopefully we will be hosting more events at our club. We had the first fundraising meal since March a couple weeks ago and it was a great success. Thank you, Sister Pam Rehm, for the delicious Pork Ribs. She will be in the kitchen November 6th with Chili and jalapeno corn bread. Then on November 13th I will be cooking up a Spaghetti Dinner. Mark your calendars and come support us by enjoying a tasty meal. We are always looking for volunteers to cook in the kitchen don't be shy come find me and let's set something up.

Speaking of Fundraising, as Madam President I have chosen PADS for Parkinson's as my Charity. They are a non-profit research group out of San Juan Island training with dogs to detect odor associated with Parkinson's Disease. I am excited to raise money for this group!

We also have in the works a Christmas raffle. More info will be posted as I work out the details.

The Auxiliary has moved their meetings to the 1st Saturday of the Month at 10:00AM starting November 7th.

Let's all keep up the good work of being careful at the club keeping masked up when not at our table. We will get thru this together.

Stay safe and sane.

Peace Out

Your Sister and Madam President,

Gisela C. Grieb
