

The West Seattle Talon Tribune

OCTOBER 2020

Welcome

October

Hello West Seattle Eagles Aerie #2643 members and friends.

Summer is over and the days are getting shorter but there has been some good news from the state. We can now stay open until 11 pm and table limits have been raised to 6 people. We still need to be vigilant and do our best to keep our members and guests safe so please follow safe practices both in the club and when out and about. We also have some seating available now in the social room! So come on down and have a drink, watch a game, play some pull tabs and meet some of our new bartenders.

We do have food available in the kitchen every day and are looking to start scheduling some dinners. We'll let you know when we get a bit more info and have time to discuss them a bit further. I could really go for a good steak right now but it will be a bit longer before we have Obie's steak night back.

A quick reminder to anyone that has content for the newsletter that I really need to get the information as early as possible so I can get it completed on time. My work schedule is incredibly busy since this all started in March so there will be some delays, but I want to make sure we get you as much information as possible.

If you have any suggestions or feedback you can email me at newsletter@westseattleeagles.org. Please follow our Facebook page. I post all the upcoming events at the club and it will have the most current information.

A Message from our Worthy President

OCTOBER 2020

Aerie Brothers and Auxiliary Sisters,

Firstly, I'd like to apologize for the lateness of the newsletters. For those that don't know me I run an IT company and work has been nonstop since the start of the covid shutdown with having to help clients working remotely. It has been a 7 day a week thing since March. Things are getting better but between work and when information is released that we need to let the membership know of it is difficult to get it out at the first of the month.

I am glad to say that things are opening up a bit more and we have the option of staying open until 11pm at the bartender's discretion. If there are enough people in the club to justify staying open they will. That said we do have some new bartenders on staff so come on down and get to meet them. They are all very nice bartenders that you might recognize from other locations around the Junction. Welcome aboard!

One of the complications we have been dealing with is our meetings were causing us to have to shutdown the club since we cannot sell liquor if we are not providing food. The next couple meetings will be held on Saturdays before the club opens to not have to close the club on Tuesday nights. We are looking at other options but for now keep an eye on the schedule if you want to come to a meeting.

During the initial months of the covid shutdown we had some great people step up and volunteer to help feed our community. I'm not going to be able to name them all but notably I'd like to thank John Nowak, Gabby, Debbie Joe Tortorice, and Jay Cates for the long hours and days of service to our members and community at large. And also a huge thank you to all the people that donated to help keep this going on as long as we could.

We also had the opportunity to get some of the projects done around the club including updates to the social room and women's restroom. Everything from paint, lighting, carpet, electrical, lights, plumbing and more! Thanks to John Ledeman, John Nowak, Darin Benofsky, Jeff Freeman, Mike Drake, James Herbert, David Wolff, Thomas Maddy, Gary Langenback, Rich Barrientos and others that donated time and / or materials to these projects.

If you have any ideas for events or know of something, we as a charitable organization should be a part of, please let me know.

A Message from our Madam President

OCTOBER 2020

Hello Sisters and Brothers,

I would like to start off saying how happy and excited I am to be your Madam President this year even with the challenges that face us. As the club slowly comes back to full swing, I would like to welcome everyone back. We have had a trying Spring and Summer but seeing old and new faces at the club has been refreshing. I am proud of our members and following "the rules" to keep all of us safe so that we may get back to a sense of normal.

The Auxiliary has temporarily suspended some meetings though we are having Initiation this Tuesday, October 6th @ 5:45 Pm. We are working with the club on times to have the meetings, so it does not need close. We will keep you informed of dates as we figure this out.

Discussions will begin soon to start having some fundraising meals. We will let you all know when this happens and hope for your support in these endeavors.

As many of you may have noticed the Women's restroom is 95% complete. WHOA FINALLY! I would like to thank The Women's Auxiliary for many fundraising meal, snacks, raffles ect...Thank you Ricki Jo Brown for putting wings to the project and big thank you's to all my helpers....Suzie Klein, Tracie Biddle, Jon Nowack, Marcus Higbee, David Wolff, Tom Maddy, Tyler Estby, Rich Barr. Chris Mumme, Sam Schuetz, Lexi Fittro, Donny & Cam Orgaard. Your time, donations and efforts made it possible.

Peace out stay safe & healthy

Your Sister and Madam President,

Gisela C. Grieb
Madam President
